Provisions

Memo 1 - Sum Insured

It shall be a requirement of this Policy that the sum insured is equal to the estimated maximum selling price obtainable for the stored goods during the period of this Policy, such maximum selling price being indicated in the schedule submitted by the Insured prior to the commencement of insurance.

The Insured shall be obliged to furnish the Company not later than 10 days after the close of each month either with copies of the aforesaid stock book or with a duly completed declaration showing the average quantity and value per day of the goods stored during the preceding month (monthly declaration).

The monthly declaration shall be based on the selling price obtainable for the goods. Stock book copies and monthly declarations shall be regarded as forming an integral part of this Policy.

The sum insured shall be reduced by any indemnity paid under this Policy for the remaining policy period unless it has been reinstated by payment of an additional premium on a pro-rata basis. This additional premium shall not be taken into account in the final adjustment of premium as provided for in Memo 2.

Memo 2 – Premium

The first premium shall be due on receipt of this Policy, and all renewal premiums at the commencement of each new period of insurance. Taxes, fees and any other charges shown in this Policy or in the premium bill shall be paid with the premium. Should it be found on the basis of such information that at the end of any year of insurance the deposit premium paid was too high, premium adjustment shall be made subject to the total premium payable by the Insured not less than 50% of the full premium based on the sum insured stated in the schedule. Failure on the part of the Insured to submit stock book copies or monthly declarations shall entitle the Company to apply the maximum sum insured as fixed in the schedule for premium calculation. Any difference in premium so determined whether due to or by the insured, shall be settled within one months of the dispatch of the statement showing the premium adjustment.

Memo 3 - Basis of Indemnity

All claims shall be settled on the basis of the value stated in the monthly declaration immediately prior to the occurrence of the loss or the selling price which would have been obtainable, whichever is the lower. When determining the indemnity the Company shall take into consideration all circumstances which may influence the amount of indemnity, such as proceeds from a sale of the goods as well as storage costs saved due to the termination of the storage.

If after the occurrence of a partial loss it is found that the last monthly declaration previous to the loss is less than the amount that ought to have been declared, then the amount which would have been recoverable by the Insured shall be reduced in such proportion as the amount of the said last monthly declaration bears to the amount that ought to have been declared.
